TEAM PREDATORS RACING

Aim : To design, fabricate, test and validate a single seater four wheel all terrain vehicle with building a team which synonyms undying passion and hard work.

We are group of 25 highly passionate engineering students with the ambition to become **“WORLD CHAMPIONS”** who design, build & compete in various competitions at national & international levels.

BAJA SAE INDIA is one of them. BAJA is an Off-road Motorsport Event for under graduating students by Society of Automotive Engineers (SAE). The goal is to simulate real world engineering problems and to move forward for development of nation through innovations and empowering ideas.

Which is held at NATRAX facility, Pithampur, Indore.
